5. In addition to the companies receiving incentive awards, battalions will receive incentive awards if all their assigned companies achieve the standard for the 14 criteria during the same month. The following incentive awards will be awarded at the battalion level for units that meet the standard:

- a. Logistics excellence trophy from the commanding general.
- b. Letter of commendation from the commanding general.
- c. Commanding General's Coin for individual(s) nominated by the unit's command.

6. Monetary incentive awards will be from appropriated funds and may only be use for authorized appropriated fund expenditures. Funds will be provided via obligation target (OT) increase. Group/Battalion Commanders will ensure that awards earned by subordinate companies are in fact allocated through their S4 for expenses selected by the unit that won.

7. The logistics excellence award streamer is authorized for display on unit guidon. Unit(s) that do not achieve the standard during the next evaluated month will remove the streamer. The Group S4 is responsible for returning the streamer to the ACofS, G4 within 10 working days after notification from the ACofS, G4.

8. The ACofS, G4, 19th TSC is responsible for executing the logistics excellence award program. The ACofS, G4 will review the designated criteria on a monthly basis and announce the winner(s) during the Monthly Materiel Readiness Review (MMRR) briefing.

9. Point of contact is the ACofS, G4, Logistics Support Branch at 768-7706.
